## PROFESSIONAL SUMMARY

Program and Policy Professional with experience supporting executive leadership, anti-human trafficking programs, policy research, survivor services, and organizational operations across nonprofit, government, and international organizations. Experienced in coordinating complex schedules, preparing executive briefing materials, managing confidential information, supporting cross-functional teams, and improving administrative workflows. Strong background in stakeholder engagement, legislative research, case documentation, program coordination, and project management. Recognized for exceptional organization, discretion, attention to detail, and the ability to manage multiple priorities in fast-paced environments.

## EDUCATION

**Master of Global Policy** *May 2026*
LBJ School of Public Affairs, The University of Texas at Austin | Austin, TX

**Bachelor of Science, International Law and Diplomacy** *June 2022*
Babcock University | Ogun, Nigeria

## PROFESSIONAL EXPERIENCE

### Anti-Human Trafficking Intern

*International Rescue Committee* | Silver Spring, Maryland. *May 2026*

- Supported anti-trafficking case management services for survivors of human trafficking and individuals at risk of exploitation, assisting with resource coordination and client support.
- Conducted outreach and education activities to increase awareness of human trafficking indicators, prevention strategies, and available community resources.
- Assisted with client intake, documentation, referrals, and case file management while maintaining confidentiality and trauma-informed practices.
- Researched local and federal resources related to housing, employment, legal assistance, healthcare, and public benefits to support survivor stabilization and recovery.
- Collaborated with multidisciplinary teams, community organizations, and service providers to strengthen support networks for survivors.
- Supported program reporting, maintained confidential case documentation, coordinated referrals with partner organizations, and assisted with administrative activities that supported grant compliance and program effectiveness.

### Policy, Advocacy & Program Intern

*January 2026 – May 2026*

*Shared Hope International* | Washington, D.C.

- Monitored federal and state anti-trafficking legislation, congressional hearings, committee markups, and policy developments to support advocacy priorities.
- Coordinated meetings with internal and external stakeholders, prepared agendas and briefing materials, tracked action items, and supported follow-up activities for advocacy initiatives.
- Drafted policy memoranda, briefing materials, and legislative summaries for organizational leadership and external stakeholders.
- Developed an organizational policy proposal on AI-based child sex trafficking prevention that was adopted and incorporated into advocacy engagement with policymakers, demonstrating the ability to manage a project from concept through implementation.
- Designed and launched a youth anti-trafficking ambassador initiative mobilizing young advocates for peer education, early identification, and community-based prevention.
- Supported stakeholder training, webinars, and public awareness campaigns focused on victim identification, trauma-informed responses, and anti-trafficking prevention.

### Program & Research Intern

*May 2025 – August 2025*

*Enda Graf Sahel* | Dakar, Senegal

- Co-designed and delivered a joint workshop with the International Organization for Migration (IOM) supporting migrant and trafficking survivor reintegration, contributing to measurable improvements in community livelihoods.

- Developed a policy proposal addressing school leadership and structural challenges; recommendations were adopted by local administrators to improve management practices and learning outcomes.
- Conducted community field visits and stakeholder engagement to collect insights informing project design, implementation strategy, and program refinement.
- Collaborated with NGO staff, international stakeholders, and French-speaking communities to support cross-cultural program delivery, policy coordination, and strategic communications.

**Teaching Assistant, Advertising & Public Relations** *August 2024 – December 2024*

*Moody School of Communications, University of Texas at Austin* | Austin, TX

- Managed a cohort of 58 students, providing detailed feedback on assignments and maintaining consistent communication with faculty and students to ensure academic clarity and support.
- Assisted with exam preparation and ensured accessibility compliance for students with disabilities in alignment with university protocols.

**Assistant Human Resources Manager,** *November 2023 – June 2024*

*Nuclear Associates and Consultancy Limited* | Lagos, Nigeria

- Coordinated recruitment, interviewing, onboarding, and orientation activities while maintaining confidential personnel records and ensuring compliance with organizational policies.
- Managed executive calendars, scheduled meetings, coordinated travel logistics, and served as a primary point of contact for employees, candidates, vendors, and external stakeholders.
- Supported leadership by preparing HR reports, tracking personnel actions, maintaining employee databases, and monitoring workflow across multiple departments.
- Coordinated employee trainings, staff meetings, recognition programs, and company events, overseeing logistics, communications, and vendor coordination.
- Assisted managers with employee relations, performance documentation, onboarding guidance, and policy implementation while exercising discretion with sensitive personnel matters.
- Recommended administrative process improvements that increased efficiency in onboarding, employee record management, and internal communications.

**Associate Mediator** *November 2022 – December 2023*

*Citizen Mediation Center, Lagos State Ministry of Justice* | Lagos, Nigeria

- Facilitated dispute resolution using Alternative Dispute Resolution (ADR) techniques, contributing to the center's mission of effective conflict resolution under the Lagos State Ministry of Justice.
- Managed stakeholder communications, appointment scheduling, and inquiry resolution to ensure high levels of client satisfaction.
- Managed sensitive case files, prepared meeting documentation, maintained accurate records, and ensured compliance with organizational procedures.
- Served as liaison between disputing parties and legal professionals, providing timely communication and administrative support throughout the mediation process.

## SELECTED RESEARCH PROJECTS

*LBJ School of Public Affairs, The University of Texas at Austin*

- Establishing U.S. Policy on the Use of AI in Autonomous Military Targeting Systems (2026)
- Using Cyber Operations to Disrupt Human Trafficking Networks (2026)
- Innovation in U.S. Critical Minerals Supply Chains (2025)
- Ethical Divergence in AI Governance: Developing a Unified Global Framework (2024)
